

LEED-NC
FOR NEW CONSTRUCTION

Engineers Without Borders UH presents:

Introduction to LEED-NC 2.2 for anyone who would like to learn about green building with an emphasis on studying for the LEED AP Exam.

1:00 – 4:00 PM November 8
@ The University of Hawaii HIG 110

What you'll need:

- 1) Please bring a laptop if possible to follow PowerPoint slides.
- 2) Please bring a flash drive to download presentations and other material.
- 3) Coffee cup if you need caffeine. We'll be providing coffee but will only provide a limited amount of disposable cups to reduce waste.

If interested in attending, Please email btoyama@swinerton.com
